NEW FOR 2011

New for 2011

Welcome to a bright, new season at Flamingo Land Resort, one of the UK's most entertaining holiday destinations.

Mia & Mylo

This year we're delighted to welcome Mia and Mylo Meerkat. As the latest members to join the Resort team, our new mascots are here to help you make more of your stay. They'll be out and about around the Theme Park & Zoo every day and you'll also find their handy hints and tips throughout this brochure.

Children's Planet

Our fantastic new children's adventure combines an amazing playground with the opportunity to experience an 'up close and personal' view of the animal kingdom, offering a behind-the-scenes view of our animals' secret habitats and the chance to see the world through a meerkat's eyes. Making the most of our latest attraction involves climbing, crawling, rolling and jumping to see our beloved animals at their best. If you're simply watching, you'll see close comparisons between humans and animals at play, whilst enjoying the antics of our meerkats, coatis, pigs and otters. Children's Planet combines maximum fun with an interactive learning experience offering an insight into both Flamingo Land's animals and our conservation work in the wilds of Africa.

Zoom

A firm favourite amongst Flamingo Land fans, Splish, our wonderful, wacky world of water just got a whole lot better! If you love Splash Battle then Zoom, our latest family friendly coaster, will take your entertainment to new heights. So, cross the border between sea and sky and enter Swoosh, a land of fabulous flying machines that'll soar above the clouds to keep junior visitors amused for hours.

Penguin Coast

After 2 years of research, planning and construction, Flamingo Land's elusive Humboldt Penguins made a welcome return to public life back in July 2010. Since then, the winter months have seen the team back in action to ensure one of the world's best penguin enclosures is ready for you to enjoy during our 2011 season. Now with an even larger pool, an extensive cliff line and a stunning five-metre waterfall, Penguin Coast is complete and its inhabitants seem delighted with the result! We now hope that this new habitat will help to support the dedicated captive breeding programme to continue protecting this critically endangered species from extinction.

A world of discovery

It's taken hard work, care and dedication to develop Flamingo Land's extensive animal collection and there's still far more that we plan to achieve in the years to come. With tigers from Sumatra and the frozen wastelands of Siberia, giraffes from sub-Saharan Africa, two species of flamingo and all the kids' favourite farm animals, we're sure you'll take home memories that'll last forever.

Our beloved animal collection is not just our business, it's our passion. From our integrated conservation, research and education institute in Tanzania's Udzungwa Mountains, run jointly with The University of York, to our David Bellamy Gold Medal winning native wildlife protection, we take our social responsibilities seriously. Many of the endangered species you'll see are part of international breeding programmes, whilst others are involved in efforts to ensure their long-term future in the wild.

For those who want to do more than simply spectate, Flamingo Land provides plenty of ways to get involved, including a number of hands-on opportunities. For guests with a passion for animals, plus the drive and enthusiasm to match, our 'Be A Zoo Keeper' experience goes behind the scenes for a taste of what's really involved.

Exclusive to Resort guests, the 'Zoo Safari' provides a leisurely evening stroll packed with fascinating facts provided by one of our experienced keepers. Alternatively, a 'Meerkat Encounter' is guaranteed to delight animal fans of all ages – when feeding time arrives, they're sure to be the centre of attention!

Already, Wham Bam Duran promise to provide nights packed with classic '80s hits including Spandau Ballet, Depeche Mode and The Thompson Twins, whilst the brilliant high energy party-ska band House of Fun assure us they'll be filling the dance floor with unforgettable versions of songs by Madness, The Specials, Bad Manners, UB40, Dexy's Midnight Runners and more. Plus, there's the outrageous, breathtaking and utterly amazing GaGalicious, the ultimate tribute to the princess of pop. Beautifully costumed, with sizzling dance routines, this sensational three piece show explodes onto the stage and kicks into top gear with a set packed with the very best of GaGa pop.

Star studded weekends

In recent years Flamingo Land Resort has welcomed an array of stars from the worlds of TV, film and sport. These appearances always prove a great success, with many guests now planning their holidays around these events.

As the majority of celebrity visits will still be confirmed at short notice, we've decided to plan three big weekends well in advance. Providing something to suit almost every taste, we're sure they'll be a hit and the start of a regular annual programme.

Star Factor Xtravaganza 29 & 30 April 2011

A truly exceptional weekend of great music featuring not one but two fantastic live performances. On Friday, Jamie 'Afro' Archer will be performing non-stop hits, while on Saturday night firm Flamingo Land favourites Same Difference will take to the stage with a show that includes tracks from their latest album 'The Rest Is History'. On both nights there will be a full programme of entertainment to support these star acts, originally seen on ITV's X Factor.

Soap Star Showcase 20 & 21 May 2011

This is your chance to spend a night in the company of household names from two of ITV's much loved soaps. First you'll get to enjoy an evening with Ryan Thomas, Jason Grimshaw on ITV's Coronation Street, followed on Saturday by Mark Charnock. Since working alongside Derek Jacobi in the television series Cadfael, Mark has made the role of Emmerdale's Marlon Dingle his own.

Gala Variety Weekend 17 & 18 June 2011

Looking for some good old-fashioned laughter? Then our final celebrity event for 2011 is sure to delight! Getting the weekend off to an excellent start, Friday night will feature an evening of non-stop gags from Duncan 'Chase Me' Norville. Then, on Saturday, we'll be turning up the comedy to full volume with an appearance from legendary stars of stage and screen, Keith Harris & Orville.

Although customer satisfaction remains paramount, Flamingo Land Resort reserves the right to amend or cancel performances due to circumstances beyond our control.
