### HEALTH & SAFETY

All farm and zoo animals naturally carry a range of diseases, some of which can also affect humans. These diseases are known as zoonoses and during your work with animals your health may be at risk from them.

Although some of these diseases are not common in Great Britain, good hygiene practices will protect against

them. Remember, do cover all cuts and grazes and wash your hands and arms before eating, drinking or smoking after contacting animals, or working in enclosures. Please ensure you use all PPE (Personal Protective Equipment) provided by the keeping staff e.g. gloves etc, and practice good personal hygiene.

Flamingo Land will not accept responsibility for any person disregarding health & safety guidelines or neglecting to follow safe working practice instruction by its trained Keeping staff whilst in the boundaries of the zoo.

**Whilst I am a guest of Flamingo Land Ltd I agree to abide by the conditions and safe working practices of the Keeping department and in the event I contravene these conditions I will not hold Flamingo Land Ltd nor its Directors, employees or agents responsible for any loss or injury sustained by or to me during my visit.**
