## Q BUSTER

The fastest way to enjoy our thrilling rides!

Even though our great attractions are well worth waiting for, they're even better when you can just arrive and ride! So, that's why we've introduced 'Q' Buster, a simple and convenient system that allows you to pre-book all the top rides at Flamingo Land through your mobile phone.

Simply book your slot via text message and the wait is well and truly over! So when you arrive at the ride you can board the next available vehicle.

'Q' Buster costs just £1 per credit. Credits can be sent to a mobile number of your choice, and that phone can then make bookings for groups of up to 8 people.

Please make your purchases at the 'Q' Buster Booth in Plaza Square, next to Pitchers Sports Bar.

### Let's have fun and be safe

The Management of Flamingo Land would like to ensure both your safety and enjoyment. In the interest of safety, some rides have passenger minimum height restrictions which are displayed at ride stations. Please comply with these restrictions and all other posted or distributed rules and guidelines.

Restraining bars, safety bars or other passenger safety devices should not be tampered with at any time. Stay seated with your arms and legs inside the ride at all times. Loose items such as spectacles, handbags, jewellery etc should not be taken on any ride. Any items left at operator stations are at the owners' risk.

Use common sense. Do not engage in activities that are beyond your ability or physical capacity. Be personally responsible that you are in good health and free from heart, back, neck problems or any pre-existing condition, which could be aggravated by the park's attractions.

Postman Pat® © 2009 Entertainment Rights PLC. Original writer John Cunliffe. Lic. RMG Ltd.

Please be aware that dogs are not allowed in the zoo area of the park (assistance dogs are allowed). Flamingo Land operates a no smoking policy in public venues and queuing aisles.
